I have the honour to state that the right of collecting manure in Davangere town Municipal limits was sold in public auction to Mr Shivarudrapa for Rs 2000/ during the year 1943-44. There was an outbreak of rinderpest in this town and the surrounding villages and the assemblage of cattle was stopped for a period of twenty weeks during the year. The contractor appealed to the council requesting for a remission of Rs 750/ on account of the loss sustained by him owing to the non assemblage of cattle due to the prevalence of rinderpest. The Municipal council resolved at its meeting held on 21-6-44 that a remission of Rs 250/ may be granted.

I request that sanction of Govt may kindly be obtained to the remission of Rs 250/ as per the resolution of the Municipal Council.

The entire file of records ending with letter No H C 87/46-7 dated 28-2-1947 received from the President of the Municipality is enclosed herewith for favour of reference.

I have the honour to be,

With reference to your letter No L 12808 dated 24-3-47 on the above subject, I have the honour to state that the President of Davangere Municipality in his letter No H C 97/46-47 dated 2-5-47 has reported that the original paper was mislaid on account of change of hands in his office and that the question was reopened after the party reminded about his prayer and requests to condone the delay. The work in the municipal office has increased owing to the proposals of the several schemes and the work in this office also has very considerably increased.

I request that early sanction of Govt may kindly be obtained to the remission of Rs 250/ as recommended in this office letter No A6 C 1245/10-3-47.
